I do not own Fairy Tail

I came up with two different ways for this one shot so enjoy!

#1

Lucy woke up with a quick kick to the back. _grrr Natsu!_

Lucy turned over in her bed about to scream at him, for breaking into her home and crashing in her bed AGAIN! But stopped herself, noticing him tossing and turning, his eyebrows furrowed, sweat covered his face.

_Nightmare. _Lucy concluded.

Lucy was just about to shake him awake, when he suddenly jumped up with a terrified look on his face.

"Your alive." Natsu said giving a sigh of relief

"Of course I am!"

Natsu hugged Lucy tightly, squeezing out what oxygen she had in her lungs.

"H-hey...I'm a-alright, but I won't b-be if I c-can't breath!" Lucy stuttered out.

"Sorry Luce." Natsu said letting her go.

They sat in an awkward silence for awhile, before Lucy finally said something, breaking the silence.

"So do you want to talk about it?" Lucy questioned.

Natsu turned to Lucy, with tears in his eyes. "You died, I couldn't save you."

Lucy gave Natsu a sad look, seeing how he was silently beating himself up inside about it.

Lucy sat against the headboard of her bed, coaxing Natsu's head to lay in her lap. While she ran her fingers through his hair, relaxing him.

"Its alright Natsu, it was just a nightmare." she soothed.

"I know, but it felt so real." Natsu whined.

"Well it wasn't, plus I'm not going anywhere anytime soon." Lucy explained, continuing to run her fingers through his hair, seeing how it was relaxing him.

"Thanks Luce." Natsu said, finally falling back asleep.;

"No problem." Lucy whispered and kissed his forehead.

(2nd way I came up with ending this)

Lucy woke up with a quick kick to the back. _Grrr Natsu!_

Lucy turned over in her bed, about to scream at him. For breaking into her home and crashing into her home AGAIN! But stopped herself, noticing Natsu tossing and turning, his eyebrows furrowed, sweat covered his face.

"Nightmare." Lucy concluded.

Lucy sat on top of Natsu, holding his arms and legs down until he calmed down a little.

When he finally did, Lucy laid back down and hugged Natsu, rapping her arms around his back. Her head laid against his chest, she could hear his heartbeat racing.

Looking up at Natsu's face, his eyebrows still furrowed. She could tell he was still having the nightmare.

Lucy didn't know what to do! She didn't want to wake him up, but she suddenly remembered, her mother would always sing her to when she had a bad dream.

"I hope this works." Lucy whispered.

You are my sunshine my only sunshine.

_ You make me happy when skies are gray._

_ You'll never know dear how much I love you._

_ So please don't take my sunshine away. _

Lucy noticed that Natsu's heart slowed a bit, and he was in a more relaxed state. So she decided to sing the song at least two more times.

_You are my sunshine my only sunshine. _

_ You make me happy when skies are gray._

_ You'll never know dear how much I love you._

_ So please don't take my sunshine away. x2_

Lucy satisfied that Natsu was finally resting peacefully, decided to get up but when she moved, Natsu quickly snagged his arms around her.

"Please stay." Natsu whispered.

Lucy couldn't tell if Natsu was asleep or not but applied with an okay. Soon they both were asleep holding each other.
